ORDER TODAY

Westport is the largest Qualified Vehicle Modifier partner in Ford's QVM program, providing OEM-quality engineering and design.

HIGHER STANDARDS

- » **SAFETY:** Westport WiNG[™] Power System vehicles undergo the same safety testing required for Ford OEM vehicles. For school bus applications, Westport conducts additional rigorous Ford-approved testing.
- » **WARRANTY:** Under Ford's QVM program, the Ford warranty remains intact (5-year / 60,000 mile engine and powertrain warranty).
- » **SERVICE:** Westport partners with schools to set up the most comprehensive training, warranty, and service program for their fleets.
- » **DEALERS:** Order and take delivery of your Collins NEXBUS[®] at any of the more than 50 Collins Bus dealer locations in the United States and Canada.

SPECIFICATIONS

- » Built on Ford E-450 6.8L cutaway chassis
- » 30 gasoline gallon equivalent (GGE) standard
- » Westport WiNG[™] dedicated CNG fuel system
- » Extensive simulations and physical crash-testing that meets or exceeds Ford OEM and federal safety standards
- » First Ford recognized Type A OEM school bus
- » EPA and CARB certified

ABOUT COLLINS BUS
