

OPTION: TONNEAU COVER

Westport[™]
Here and Now.

Protect the bed on your Ford F-150 Pickups.

HIGH-QUALITY, CUSTOM-MADE BED COVER FOR DEDICATED AND BI-FUEL CNG SYSTEMS.

Now you can have a Westport WiNG[™] Power System in your F-150 pickup and a tonneau cover, too!

Our soft tonneau cover is custom-designed to keep cargo protected from weather. Available on bed sizes, the cover is factory installed and includes custom weather seals that secure your cargo against rain and snow.

HIGH QUALITY

- » Built to last using all-aluminum frame.
- » Double-coated, UV-protected vinyl tarp fabric withstands the harsh sun and temperatures as low as -40 degrees.
- » Heavy-duty tubular bows support heavy snow piles.
- » Three-point slide lock system.

GREAT PERFORMANCE

- » Simple to set tension – just turn the knob on the proprietary EZ-DIAL[™] XT Tension Adjusters.
- » Hook-and-loop sealing system makes for easy opening and closing.
- » Compatible with the bi-fuel and dedicated CNG Westport WiNG Power System Ford F-150 pickups all bed sizes.
